New Providers Join Hendricks Regional Health Medical Group

Danville – Hendricks Regional Health welcomed four new providers to its medical group in April. “Increasing access to high-quality healthcare is paramount to Hendricks Regional Health’s overall mission,” said Kevin P. Speer, Hendricks Regional Health President & CEO. “These talented professionals are wonderful additions to our team of providers which collaborates regularly to ensure we provide outstanding patient experiences to all we serve.”

Benjamin Scott, NP will care for patients at Hendricks Regional Health Immediate Care Centers in Avon, Brownsburg and Plainfield. He graduated from Marian University with a Bachelor of Science degree in nursing, Indiana University with a Bachelor of Science degree in public health and Indiana Wesleyan University with a Master of Science in Nursing.

Glenn “Rudy” Schwenk, Jr., MD specializes in pathology. Dr. Schwenk earned his medical degree at Indiana University School of Medicine. In addition, he completed residencies at Ball Memorial Hospital and Indiana University School of Medicine and a fellowship at Indiana University Medical Center. He is board certified by the American Board of Pathology.

Bridget Thorne, NP will care for patients at Hendricks Regional Health’s Immediate Care Centers. She graduated from Indiana University Purdue University Indianapolis and earned her Master of Science in Nursing at Ball State University. Bridget is board certified by the American Association of Critical-Care Nurses and American Association of Nurse Practitioners.

Megan Wetzold, FNP-C has joined Indiana Adult Pediatric Medicine. She completed a Bachelor of Science degree in nursing and a Master of Science in Nursing at Ball State University. Megan is board certified by the American Association of Nurse Practitioners.

About Hendricks Regional Health

Hendricks Regional Health is a nationally recognized, not-for-profit, healthcare organization with a deeply rooted legacy of community service. The Hendricks' culture is built on our vision to be the community's indispensable healthcare partner and focused on these seven values: Respect, Empathy, Integrity, Courage, Collaboration, Loyalty and Engagement. More than 2,200 associates live these values each day through a shared philosophy of patient-centered, high-quality, low-cost care.

Hendricks Regional Health is a Magnet® hospital for nursing excellence and is accredited by Healthcare Facilities Accreditation Program (HFAP). The organization received full Chest Pain Center Accreditation from the American College of Cardiology. Hendricks recently received the 2019 Five Star Total Knee Replacement award, the 2019 Five Star Esophageal/Stomach Surgeries award and the 2019 Five Star Treatment of Pulmonary Embolism award from Healthgrades. In 2018, Hendricks Regional Health was honored with High Performance recognition from U.S. News & World Report. Hendricks Regional Health is one of only 13 hospitals nationwide to be recognized in the top 5% in the nation by Healthgrades for Outstanding Patient Experience for 11 consecutive years. As the largest employer in Hendricks County, the organization was recognized as a Finalist in the Healthiest Employers of Indiana Awards Program. Hendricks is one of only two organizations in the Midwest to earn the American Heart Association's Community Innovation Award for developing and implementing our visionary wellness program. Leapfrog has awarded Hendricks Regional Health consecutive A ratings over the last five semiannual reporting periods, beginning in fall 2016.

Hendricks Regional Health staffs a full complement of physicians and providers in a variety of specialties at locations in Danville, Avon, Plainfield, Brownsburg, Lizton and Bainbridge. For more information, please visit our website at www.hendricks.org.
