Orthopedic Center of Excellence

The Hendricks Regional Health (Hendricks) Orthopedic Center of Excellence is the premier destination in Indiana for comprehensive orthopedic and spine care. Our Center of Excellence provides non-trauma surgical services to our partners' employees.

Employees receive exceptional, personalized care, rooted in Hendricks' values and unique culture — all with little or no out-of-pocket costs and a seamless experience. Plus, when employees travel to Hendricks for their procedure, a one-night hotel stay may be provided and arranged by our Concierge when determined necessary by their surgeon.

We hope to become your partner of choice in supporting the overall health and satisfaction of your employees.
